

Monongahela Valley Hospital Cancer Patients Ring in Wellness

Recently, Mrs. Chester, a two-time breast cancer survivor, former MVH cancer patient and current MVH employee, donated two plaque-mounted bells which are hung in the Charles L. and Rose Sweeney Melenzyer Pavilion and Regional Cancer Center's Mon-Vale Radiation Oncology,

(l to r) Debbie Burkhardt, director of radiation oncology; Laurie Chester; and Marcie Moessner, radiation therapist, pose with the displayed artwork, created at the paint and sip fundraiser and the donated bell.

LLC and Mon-Vale Oncology suites. The bells welcome a celebratory ring by MVH cancer patients upon completion of their treatments.

"I wanted to donate something that I felt would encourage and inspire hope in all of the MVH cancer patients," said Mrs. Chester, "I had heard of other cancer treatment facilities using bells to celebrate treatment completion and really liked the idea. I am touched in knowing that through the bell, I will be a part of each MVH cancer patient's final treatment celebration."

Mrs. Chester was diagnosed with breast cancer for the first time by way of an annual mammogram, her very first mammogram. She was treated at MVH and her cancer went into remission. Seven years after she was first diagnosed, the cancer returned. It was discovered once again through an annual mammogram. Mrs. Chester received radiation treatments, oral medications and multiple surgeries during her fights.

"After being diagnosed, fear takes over and you are faced with tough decisions, but all of the employees are wonderful," said Mrs. Chester. "Everyone I met — from diagnosis to treatment completion and beyond — carried me through my journey and helped me to maintain a level of comfort beyond explanation. They held my hand and cried with me when I was most afraid and made me feel as if I was their only patient. Every one became an extension of my family. I feel so blessed."

The funds for the bells were raised through a sold-out paint and sip event, hosted by Mrs. Chester with the assistance of many friends she has made throughout her cancer journey. She plans to continue her efforts to help raise funds to provide supplemental transportation for MVH cancer patients who have no other means to get back and forth for their treatments.

A Note of Thanks

Over the years, this community has given generously to the Hospital. Whether to the Emergency Room Campaign, the construction of the Cancer Center, the *Focus on the Future Capital Campaign* or the Gala, you have shown incredible support. We celebrate these successes as we continue developing a strong fundraising program.

The *Partnerships in Health Care*, our newest annual giving campaign, provides opportunities to not only raise money, but also to build lasting and sustainable relationships with individuals and businesses in and around our community.

I welcome you to review the information included in this newsletter and join us in this initiative!

Sincerely,

A handwritten signature in blue ink that reads "Sara A. Schumacher".

Sara A. Schumacher, CFRE
Vice President of
Fund Development

When you become a **Partner in Health Care**, you join a group of special individuals and organizations who share the same passion as you to support and affect our communities' health care. You have the opportunity to be among those who have taken a strong role in improving the health of those around us today and far in to the future.

How do I become a *Partner in Health Care*?

Individuals and businesses become a *Partner in Health Care (PIH)* by making a cumulative donation of a specific amount to MVH in a 12 month period.

What are my benefits of being a *Partner in Health Care*?

Each level of giving has specific benefits as a PIH.

What does my donation support?

Your charitable donations directly affect patients by purchasing new equipment, enhancing existing programs, creating new programs, upgrading technology, and providing clinical education for patients and medical professionals.

National Doctors' Day

National Doctors' Day is held each year on March 30 and recognizes physicians for their work and their contributions to the community. At Monongahela Valley Hospital we support our physicians and are proud to have them as part of Team MVH! To show our appreciation, the Office of Fund Development has created a Doctors' Day Campaign. This campaign is a way for an individual or group to make a gift in honor of a doctor. This can be done through our website at monvalleyhospital.com by clicking on the *Donate Now* page and including the doctor's name in the *Tribute Information*. Gifts can also be made by contacting the Office of Fund Development at 724-258-1657. When a gift is made, the honored doctor will receive a personal message notifying him or her of the thoughtful tribute. Take a moment today to thank a doctor you appreciate.

Mission Statement

Monongahela Valley Hospital's Office of Fund Development's mission is to enhance the health of the residents of the mid-Monongahela Valley area through charitable donations.
